

# ABOUT OUR CAMP!

Our camp is intended for gymnasts who are ages 6-18 years old. We welcome all competitive gymnasts from all organizations! At MAGS Skills Camp we will be dedicated to sharing the tools that will help your athlete achieve a higher level of gymnastics. This is a unique opportunity for your gymnast to work along with a great team of coaches that will expand your knowledge, skills and mental tips for achieving faster results. The goal of MAGS skills camp is for each camper to experience an intense and progressive course of gymnastics instruction in a safe and productive environment.

All coaches at the camp will be college coaches and coaches from high level USAG clubs.

All campers are to bring their own lunch.
